

Disability Inactive Status - Supreme Court No. 103, 2006. Date of Court Order:

April 13, 2006. The Court transferred R. Michael Lindsey to disability inactive status, pursuant to Rule 19(c) of the Delaware Lawyers' Rules of Disciplinary Procedure. The ODC and Mr. Lindsey jointly petitioned for the transfer to disability inactive status as a result of a chemical dependency relapse. Until such time that he is reinstated to active status, Mr. Lindsey is prohibited from practicing law in Delaware. Mr. Lindsey may, however, work as a law clerk or paralegal in the meantime as long as he does not have direct client contact.
